

PETITION !

The life of Dorothy Day (1897 - 1980) embodies the powerful message of Pope Francis's first encyclical, *Lumen Fidei* -- "the light of faith is concretely placed at the service of justice...and peace."

We believe she is a saint for our time.

Please sign this petition to advance her cause not because she needs it, but because we today need her witness and model of holiness.

Mail to: The Dorothy Day Guild, 1011 First Avenue, Room 787, New York, NY 10022 or submit via email: ddg@archny.org. Thank you!

Petitions will become part of the documentation forwarded to the Vatican offices that oversee the canonization process and will help attest to the popular support essential to Day's recognition as saint.
